

### **DIRECTOR'S REPORT 2013**

Since the financial accounts of the Institute cover the year from 1<sup>st</sup> April to 31<sup>st</sup> March, the Director's Report should logically be brought into line with this time frame. Thus, instead of the Director's Report covering the current year's workshop, the Director's Report will cover the previous year's workshop. The 2012 workshop was covered by me in the 2012 Annual Report. This year's workshop will be covered in the 2013-2014 AGM booklet.

As CLPINZ Director, I have been blessed with a very supportive Advisory Board and the efficient services of our ever helpful Secretary-Treasury, Val Browning. If you have enjoyed and benefited from the 2013 Workshop I sincerely hope you will consider participating again next year.
