

## **Anne Hawker**

Anne Hawker has worked for the last 12 years at the Ministry of Social Development as their Principal Disability Advisor. Prior to that Anne worked at ACC and the Ministry of Health after 15 years of working in the community. Anne has had an extensive involvement with the disability sector at a Regional, National and International level.

Some of the posts that Anne has held include as DPA (NZ) National President and the first woman World President of Rehabilitation International. Anne is passionate at ensuring disabled people have equity of access and equality of opportunity to reach our potential as contributing citizens.
