

Dr Tony Farrell

Tony has been a GP in Mount Maunganui for over 25 years. He has served as clinical director of a stand alone primary care based opioid substitution treatment programme, and was qualified for a Fellowship in Addiction Medicine in 2005. He has been involved with hepatitis C policy and treatment over the years including the MOH Hepatitis C Action group and is currently RNZCGP representative on the Hepatitis C implementation Committee.

He is also a trustee for Hanmer Clinic, an abstinence-based alcohol and other drug programme in Tauranga, and Rongoa Whanau, a charitable trust aimed at assisting people struggling with interpersonal violence. Dr Farrell is passionate about improving alcohol policy in New Zealand and is one of the spokespeople for Alcohol Action NZ . He is married with 3 children and enjoys woodworking in his spare time.
